Investment strategy

Bonds and other debt securities with an issuer or issue rating above B-/B3 (or equivalent) by one of the rating agencies (i.e. issuers or issues considered to be high risk). Derivative products of issuers of the same quality.

Investment goal

The fund seeks to achieve capital growth by investing in the principal assets traded and to outperform the benchmark. The management team makes discretionary investment choices based on economic/financial analyses. The fund promotes, among other characteristics, environmental and/or social characteristics but does not have sustainable investment as its objective.
