AB SICAV I European Equity Portfolio Class A / LU0124675678 / 659142 / AllianceBernstein LU

Investment strategy

Under normal market conditions, the Portfolio typically invests at least 80%, and not less than two thirds, of its assets in equity securities of companies that are organised, or have substantial business, in Europe. These companies may be of any market capitalisation and industry. The Portfolio may invest or be exposed up to 30% in equity securities of emerging markets.

Investment goa

The Portfolio seeks to increase the value of your investment over time through capital growth.
