

Charges

One-off charges taken before or after you invest

Entry charge	3.00%
Exit charge	None

The percentage indicated is the maximum that can be taken out of your capital before it is invested or before the income from your investment is distributed to you

Ongoing charge	1.00%
----------------	-------

Charges taken by the fund under certain specific conditions

Performance fee	15.00% of the outperformance versus the EURO STOXX Index (Net Return) EUR from 1st January 2022.
-----------------	--

A performance fee may be payable in case the Sub-Fund has overperformed the Relevant Benchmark but had a negative performance.

The charges you pay are used to pay the costs of running the Fund, including the costs of marketing and distribution. These charges reduce the potential growth of your investment.

The entry and exit charges shown are maximum figures. In some cases you might pay less. Please refer to your financial advisor or the distributor for the actual charges.

The **ongoing charges figure** is based on the expenses for the year ending December 2021.

This figure may vary from year to year. It excludes:

- Performance Fees.
- Portfolio transaction costs, except in the case of an entry/exit charge paid by the Fund when buying or selling units in another undertaking for collective investment.

In the last financial year ending December 2021, the performance fee amounted to 0.37%.

For more information on charges, please see the 'Fees and Expenses' section of the Prospectus.

Past Performance

- Please note that past performance is not a reliable indicator of future results.
- The past performance is calculated in Euro.
